

# A Career in Singapore

HIGH POWERED. HIGH EXPECTATIONS.

We are a team of highly-driven and motivated professionals, whose mission is to provide our patients with the highest level of care through service quality and excellence. Our aim to increase awareness of Podiatry, and elevate the profession to be the gold standard of lower extremity healthcare in Singapore.

We push boundaries, so that we may provide the best treatment options to our patients. We are in search of people who possess the same intensity, professionalism and clinical expertise to make this possible. We are in search of Podiatrists who are proud of their profession, and who are looking to advance themselves through a high-powered practice.

Email us your CV and Cover Letter together with a passport-sized photo of yourself to [Careers@ecpc.sg](mailto:Careers@ecpc.sg)
